## ***Is your child starting at OSSMA in September 2020?***

Here at **OSSMA**, we want you to feel as much a part of your child's education as possible and with the increased use of smartphone technology we want to make the best use of it. We send our communications through our free My Ed app to reduce the use of paper, so please make sure you have it downloaded ready to go **LIVE when your child starts with us September**.

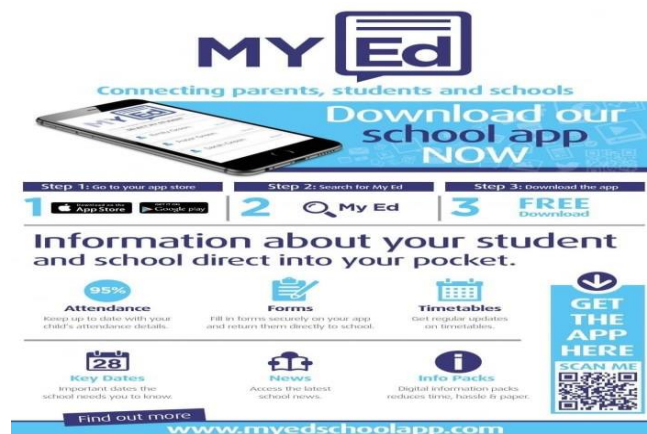

Once your child starts at **OSSMA** the app gives you direct access to your child's attendance, key dates, letters home, information, support and much, much more. You will also see that we update and change the information in the app as the school year moves along.

The My Ed app is available for both Apple iOS and Android devices and can be found using the instructions below:
